The mission of Forward High Point is to transform Downtown High Point into an extraordinary and vibrant destination to live, work, study and play.

Founded in July of 2016, Forward High Point is a Non-Profit Organization who's purpose and focus is redeveloping downtown, beyond the Furniture Market, for the current and future residents and visitors of High Point. Following the National Main Street model, using a four-point approach to revitalization (Organization, Design, Promotion & Economic Restructuring) Forward High Point is a PRO-ACTIVE agent for change, bringing exciting new opportunities to downtown. Through the development of economic initiatives and innovative projects, we are working everyday to move our city forward into the future. With each new venture, we are actively taking strides to transform downtown High Point into a vibrant destination, to live, work, study and play.

Forward High Point was the lead organization and manager of the Multi-Purpose Stadium Project, as well as the effort to bring in the \$84 Million development around the stadium, announced by *Elliott Sidewalk Communities*. While continuing to assist in the coordination of those projects, Forward High Point has just been donated the former Showplace West (*aka, GE or Culp Building*) by IMC and will seek to bring about the redevelopment of this highly visible and significant downtown building. Additional projects are also in the planning stages.

WE NEED YOUR HELP AND SUPPORT! Become a Donor, Member or Volunteer of Forward High Point.
